The screenshot shows a web design tool interface. At the top, there is a navigation bar with icons for home, company introduction, product introduction, and notice. The main workspace displays a website layout for 'Aenean'. The layout includes a header with the company name, a star icon, and contact information: '상호:미래물|대표:강민국|개인정보관리책임자:이은경|전화:02-1000-3030|이메일:master@jsk.co.kr', '주소:서울시송파구송파대로167테라타워1207호', and '사업자등록번호:120-55-70809|사업자정보확인||통신판매:125-34994'. Below the contact info is the copyright notice 'Copyright(c)2020 ABC company All rights reserved'. On the right side, there is a settings panel titled '요소 불러 상세 설정'. The '배경' (Background) tab is selected, showing options for '배경색' (Background Color) set to 'rgba(0, 0, 0, 0)' and '테두리' (Shadow) settings including '테두리' (Shadow) set to '없음', '테두리 두께' (Shadow Thickness) set to '0 px', '테두리 색상' (Shadow Color) set to 'rgba(0, 0, 0, 0)', '둥근 모서리' (Rounded Corners) set to '0 px', '그림자 크기' (Shadow Size) set to '0 px', and '그림자 색상' (Shadow Color) set to 'rgba(0, 0, 0, 0)'. A '적용하기' (Apply) button is at the bottom of the settings panel.

The diagram illustrates a grid layout with several elements. The first row contains two elements. The second row contains a single element. The third row contains a single element. The fourth row contains a single element. The fifth row contains a single element. The sixth row contains a single element. The seventh row contains a single element. The eighth row contains a single element. The ninth row contains a single element. The tenth row contains a single element. The eleventh row contains a single element. The twelfth row contains a single element. The thirteenth row contains a single element. The fourteenth row contains a single element. The fifteenth row contains a single element. The sixteenth row contains a single element. The seventeenth row contains a single element. The eighteenth row contains a single element. The nineteenth row contains a single element. The twentieth row contains a single element. The twenty-first row contains a single element. The twenty-second row contains a single element. The twenty-third row contains a single element. The twenty-fourth row contains a single element. The twenty-fifth row contains a single element. The twenty-sixth row contains a single element. The twenty-seventh row contains a single element. The twenty-eighth row contains a single element. The twenty-ninth row contains a single element. The thirtieth row contains a single element. The thirty-first row contains a single element. The thirty-second row contains a single element. The thirty-third row contains a single element. The thirty-fourth row contains a single element. The thirty-fifth row contains a single element. The thirty-sixth row contains a single element. The thirty-seventh row contains a single element. The thirty-eighth row contains a single element. The thirty-ninth row contains a single element. The fortieth row contains a single element. The forty-first row contains a single element. The forty-second row contains a single element. The forty-third row contains a single element. The forty-fourth row contains a single element. The forty-fifth row contains a single element. The forty-sixth row contains a single element. The forty-seventh row contains a single element. The forty-eighth row contains a single element. The forty-ninth row contains a single element. The fiftieth row contains a single element. The fifty-first row contains a single element. The fifty-second row contains a single element. The fifty-third row contains a single element. The fifty-fourth row contains a single element. The fifty-fifth row contains a single element. The fifty-sixth row contains a single element. The fifty-seventh row contains a single element. The fifty-eighth row contains a single element. The fifty-ninth row contains a single element. The sixtieth row contains a single element. The sixty-first row contains a single element. The sixty-second row contains a single element. The sixty-third row contains a single element. The sixty-fourth row contains a single element. The sixty-fifth row contains a single element. The sixty-sixth row contains a single element. The sixty-seventh row contains a single element. The sixty-eighth row contains a single element. The sixty-ninth row contains a single element. The seventieth row contains a single element. The seventy-first row contains a single element. The seventy-second row contains a single element. The seventy-third row contains a single element. The seventy-fourth row contains a single element. The seventy-fifth row contains a single element. The seventy-sixth row contains a single element. The seventy-seventh row contains a single element. The seventy-eighth row contains a single element. The seventy-ninth row contains a single element. The eightieth row contains a single element. The eighty-first row contains a single element. The eighty-second row contains a single element. The eighty-third row contains a single element. The eighty-fourth row contains a single element. The eighty-fifth row contains a single element. The eighty-sixth row contains a single element. The eighty-seventh row contains a single element. The eighty-eighth row contains a single element. The eighty-ninth row contains a single element. The ninetieth row contains a single element. The ninety-first row contains a single element. The ninety-second row contains a single element. The ninety-third row contains a single element. The ninety-fourth row contains a single element. The ninety-fifth row contains a single element. The ninety-sixth row contains a single element. The ninety-seventh row contains a single element. The ninety-eighth row contains a single element. The ninety-ninth row contains a single element. The one hundred row contains a single element.
